University

Current year of study

Month and year of graduation

Course

1. Which Cyber PATH service would you prefer to deliver?

- ☐ Vulnerability Assessments
- ☐ Open-Source Intelligence
- ☐ Policy / Business Continuity Review
- ☐ Security Awareness Training

Please go to next page

2. In no more than 500 words, please tell us why you want to be on the Cyber PATH programme.

3. What skills and experience do you have that you can bring to Cyber PATH?

These do not have to be cyber based but please provide as much detail as possible about the level of skills/experience you are writing about e.g., Hack the Box level X.

4. What, in addition to your studies, have you done to further your interest in this area?

This could be additional course/labs, following particular professionals/influencers or building your own programs.

5. We have a specific need to provide Security Awareness Training in Welsh and potentially other languages.

a. Are you able to speak Welsh fluently? ☐ Yes ☐ No

b. Do you speak any other language apart from English? ☐ Yes ☐ No

If yes, please provide more details.

*** Notes**

We are aware that Chat GPT and other AI programs are a brilliant resource to structure answers, however, it is quite obvious when these are used within the application form. Whilst we do not prohibit their use, please remember that the application form is about you, your passion, your desires and so it should come from you with your voice.
